<b>REISSUE APPLICATION DECLARATION BY THE ASSIGNEE</b>		Docket Number (Optional) <b>58.0018 D1</b>					
<p>At least one error upon which reissue is based is described as follows:</p> <p>The examination of the issued patent did not include all of the references that Applicant submitted. Information disclosure statements filed by Applicant on 5/27/98, 7/25/98 and 8/28/98 were not considered by the patent examiner. Copies of these 3 information disclosure statements including references cited and the return receipt postcards bearing the date received by the USPTO are enclosed. Each of the references listed on the enclosed PTO-1449 forms were cited in a related patent application. Applicant's representative only recently noticed that the references cited in these 3 information disclosure statements had not been considered by the patent examiner. The PAIR system indicates that the PTO never docketed these information disclosure statements. However, Applicant is in possession of the return receipt postcards for these IDS's. Each is date stamped received by the USPTO. Applicant believes that the information disclosure statements may have been misplaced in the Patent Office. Consideration of these references and reissue is respectfully requested.</p> <p style="text-align: center;">[Attach additional sheets, if needed.]</p> <p>All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.</p>
